Message from Dean

Dr. Zafar Zaidi

DEAN - INDUS UNIVERSITY OF HEALTH SCIENCES
SENIOR EXECUTIVE DIRECTOR
INDUS HEALTH NETWORK & HEALTH NETWORK

The source of our passion is our mission, which is centered on Education, Research, and Services. We are determined to educate and create competent and compassionate healthcare providers while providing quality patient care.

With the advancement in technology and treatment innovation, the landscape of healthcare practice has changed over time. The challenge in healthcare delivery is to widen the base of medical education into Physical Therapy & Rehabilitation since physiotherapy professionals play an important role in patient care, mobility, and independence.

At Indus College of Physical Therapy & Rehabilitation (ICPR), students receive career-focused education in a one-of-a-kind environment, not just limited to the classroom

Message from Principal

Farrukh Siddique

Principal, Indus College of Physical Therapy
& Rehabilitation

Indus College of Physical Therapy & Rehabilitation is dedicated to the proper growth and development of every student for a better career prospect. The college provides full support to improve student's communication skills, critical thinking abilities to inculcate a sense of responsibility. All efforts are made to improve the creativity and problem-solving abilities of the students so that they can contribute to society.

In an era where physical fitness is given a top priority, we at Indus College of Physical Therapy & Rehabilitation aspire to create world-class physiotherapy professionals by providing quality education.

The college is equipped with the modern clinical and scientific laboratories, well-furnished classrooms, and a digital library to create the best atmosphere to learn.

ICPR has a team of highly qualified, experienced, and dedicated faculty who have devoted their time not only to teaching but to the overall development of the student

Message from Executive Director

Dr. Muhammad Amin Chinoy

Senior Executive Director, Physical Therapy & Rehabilitation
Directorate - Indus Hospital & Health Network

Indus Hospital & Health Network has proven its mantle over the past 13 years in becoming the front runners in the healthcare sector. Continuing this theme now into education, the Indus University of Health Sciences is now announcing the commencement of admission and classes for its first batch in the Indus College of Physical Therapy & Rehabilitation.

With modern technology and advancement in both education and teaching modalities, the Indus College of Physical Therapy & Rehabilitation promises to impart education that is not only modern and relevant but also the delivery and content of the curriculum that is at par with the leading institutions of the developed world.

The mission of ICPR is to become one of the leading physical therapy institutes for developing competent, excellence-driven, and compassionate healthcare professionals.

I welcome students to come forward and become part of the visionary college and the Indus Hospital & Health Network.

Vision

“To produce competent, qualified, and dedicated healthcare persons who fulfill their professional obligation to contribute to excellence in healthcare.”

Mission

The Indus College of Physical Therapy & Rehabilitation endeavors to be one of the leading Physical Therapy institutes for developing competent, excellence-driven, and compassionate healthcare professionals.

Goals

- To achieve the level of academic excellence and to produce responsible, dedicated, and competent physiotherapists
- To improve quality of care at healthcare facilities
- To enhance the standard of physical therapy education
- To provide knowledgeable, skilled, and dedicated physiotherapists to the medical community

Indus College of Physical Therapy & Rehabilitation

Physical therapy is an emerging field in medical sciences, which gives new dimensions to solve the challenges being faced by health service providers around the world. Physical therapists work as part of the healthcare team to make the healthcare system function smoothly by providing their services in different specialties to improve mobility and quality of life.

Indus College of Physical Therapy & Rehabilitation offers students programs affiliated with Jinnah Sindh Medical University (JSMU), recognized in major countries (USA, Australia, Britain, and Canada). The College of Physical Therapy & Rehabilitation has established premises with fully-furnished lecture halls and well-equipped labs. The college's environment is aimed at improving the students' academic and rehabilitation skills through various curricular activities such as lectures, tutorials, Continuing Medical Education (CMEs), seminars, skill lab courses including "basic and advanced life support", hands-on training, clinical rotation in different wards and OPDs of the hospital.

Degrees Offered

- Doctor of Physical Therapy (DPT) – Five-year degree program

Course of studies

1st Professional Year

Semester	Courses	Course Credit Hours			Semester Credit Hours
		Theory	Practical/ Labs	Total	
Semester 1	Anatomy-I	3	1	4	18
	Physiology-I	2	1	3	
	Kinesiology-I	2	1	3	
	English-I (Functional English)	3	0	3	
	Pakistan Studies	2	0	2	
	Introduction to Computer	2	1	3	
Semester 2	Anatomy-II	3	1	4	17
	Physiology-II	2	1	3	
	Kinesiology-II	2	1	3	
	English-II (Communication Skills)	3	0	3	
	Islamic Studies/Ethics	2	0	2	
	Sociology	2	0	2	

2nd Professional Year

Semester	Courses	Course Credit Hours			Semester Credit Hours
		Theory	Practical/ Labs	Total	
Semester 3	English-III (Technical Writing & Presentation Skills)	3	0	3	17
	Medical Physics	2	1	3	
	Anatomy-III	2	1	3	
	Physiology-III	2	1	3	
	Biomechanics & Ergonomics-I	3	0	3	
	Biochemistry-I	2	0	2	
Semester 4	Anatomy-IV (Neuro Anatomy)	2	1	3	16
	Biomechanics & Ergonomics-II	2	1	3	
	Health & Wellness	2	0	2	
	Biochemistry-II	2	1	3	
	Exercise Physiology	2	1	3	
	Molecular Biology & Genetics	2	0	2	

3rd Professional Year

Semester	Courses	Course Credit Hours			Semester Credit Hours
		Theory	Practical/ Labs	Total	
Semester 5	Pathology & Microbiology-I	2	0	2	18
	Pharmacology & Therapeutics-I	2	0	2	
	Physical Agents & Electrotherapy-I	2	1	3	
	Therapeutic Exercises & Techniques	2	1	3	
	Biostatistics-I	3	0	3	
	Behavioral Sciences (Psychology & Ethics)	2	0	2	
	Supervised Clinical Practice-I	0	3	3	
Semester 6	Pathology & Microbiology-II	2	1	3	17
	Pharmacology & Therapeutics-II	2	0	2	
	Physical Agents & Electrotherapy-II	2	1	3	
	Biostatistics-II (University Optional)	3	0	3	
	Community Medicine & Rehabilitation	3	0	3	
	Supervised Clinical Practice-II	0	3	3	

4th Professional Year

Semester	Courses	Course Credit Hours			Semester Credit Hours
		Theory	Practical/ Labs	Total	
Semester 7	Medicine-I	3	0	3	18
	Surgery I	3	0	3	
	Radiology & Diagnostic Imaging	2	1	3	
	Musculoskeletal Physical Therapy	2	1	3	
	Evidence-Based Practice	2	1	3	
	Supervised Clinical Practice-III	0	3	3	
Semester 8	Medicine II	3	0	3	18
	Surgery II	3	0	3	
	Neurological Physical Therapy	2	1	3	
	Scientific Inquiry & Research Methodology	2	1	3	
	Emergency Procedures & Primary Care In Physical Therapy	2	1	3	
	Supervised Clinical Practice IV	0	3	3	

5th Professional Year

Semester	Courses	Course Credit Hours			Semester Credit Hours
		Theory	Practical/ Labs	Total	
Semester 9	Cardiopulmonary Physical Therapy	2	1	3	18
	Prosthetics & Orthotics	2	0	2	
	Clinical Decision Making & Differential Diagnosis	3	0	3	
	Manual Therapy	2	1	3	
	Professional Practice (Law, Ethics & Administration)	2	0	2	
	Integumentary Physical Therapy	2	0	2	
	Supervised Clinical Practice V	0	3	3	
Semester 10	Obstetrics & Gynecological Physical Therapy	2	0	2	18
	Pediatric Physical Therapy	2	0	2	
	Gerontology & Geriatric Physical Therapy	2	0	2	
	Sports Physical Therapy	2	0	2	
	Supervised Clinical Practice VI	0	4	4	
	Research Project	6			
					Total Credit Hours = 175

Credit Hour Distribution:

Theory: One credit hour shall be equal to one hour of teaching per week throughout the semester.

Practical/Lab: One credit hour shall be equal to two hours of lab work per week throughout the semester.

Clinical: One credit hour shall be equal to three hours of clinical work per week throughout the semester.

Research: One credit hour shall be equal to three hours of research work per week throughout the semester.

Scope of Physiotherapy

Area	Role
Intensive Care Unit (ICU)	<p>Physiotherapists are an integral part of the multi-disciplinary team in critical care and are uniquely qualified with skills and expertise to work with the assessment and management of respiratory complications, physical deconditioning, and neuromuscular and musculoskeletal conditions.</p>
Pediatric Physiotherapy	<p>Pediatric Physiotherapy is the treatment of children who have developmental dysfunctions and specific pediatric disorders. The therapy also aims to optimize a child's functions as they grow, irrespective of their physical condition. It takes into consideration the impact of growth and growth spurts on the child and uses this knowledge to treat each child accordingly.</p>
Neurological Physiotherapy	<p>Neurological Physiotherapy is focused on working with individuals who have a neurological disorder or disease. These include Alzheimer's disease, brain injury, Cerebral Palsy, Multiple Sclerosis, Parkinson's disease, spinal cord injury, and stroke.</p>
Geriatric Physiotherapy	<p>Geriatric Physiotherapy covers a wide area concerning older adults. Many conditions affect people as they grow older such as Arthritis, Osteoporosis, Alzheimer's disease, hip, and other joint replacements, balance disorders, incontinence, etc.</p>

Area	Role
Spine and Back Problems	Physiotherapy can help by decreasing the spasm of the musculature of the spine. Physical therapy can also help to improve posture and decrease mechanical back pain.
Amputee Rehabilitation	The Amputee Physiotherapy service provides specialized rehabilitation for patients following the loss of a limb.
Burns and Plastics	Physiotherapists work very closely with other teams to rehabilitate patients who require skin grafts, flaps, breast reconstructions and other forms of plastic surgery.
Pulmonary Rehabilitation	Physiotherapy services provide assistance to Pulmonary Rehabilitation patients with Chronic Lung Diseases to improve their functional capacity and quality of life.
Palliative Care	Physiotherapy in the field of oncology and palliative care plays an important role in both malignant and Non-malignant cases. Physiotherapy optimizes their quality of life and increases their life expectancy.
Women’s HealthPhysiotherapy	The women’s health physiotherapy team provides an extensive in-patient and out-patient service to obstetrics andgynecology patients. This includes a series of antenatal classes, pelvic floor muscles exercises, treatment for pregnancy-induced discomforts such as low back pain, symphysis pubis dysfunction, carpal tunnel syndrome, sacroiliac joint dysfunction, and health promotion in the postnatal ward.

Faculty Members:

Dr Syeda Amna Iqbal
Lecturer Kinesiology

Nasreen Jawaid
Lecturer Computer

Dr Nimra Khan
Lecturer Physiology

Syed M. Zaeem Hasan
Lecturer Electrotherapy

Dr Junaid Sheikh
Lecturer Anatomy

Dr Ammarah Rafique
Lecturer Biochemistry

Zaheer Khan
Lecturer English

Dr Sana Subhan
Lecturer Therapeutics

M. Mujtaba Zafar
Lecturer Physics/Sociology

Dr Maimoona
Lecturer Biomechanics

Rabia Jamil
Lecturer
Pakistan Studies/Islamiat

Nida Ghouri
Lecturer Biostatistics

Fee Structure

Tuition fee charges are subject to change without any notice.

Currents charges are as follows:

Fee Components	Fee (Batch 2023-2028)	Remarks
Admission fee	Rs. 40,000	One time
Laboratory fee	Rs. 7,000	One time
Security deposit	Rs. 5,000	Refundable
JSMU Administrative share	13200	One time
Semester tuition fee	Rs. 100,000	Per semester
	Total = Rs. 165,200	

Please note

- Application fee charges are Rs 2,800. Fee can be submitted in any HBL branch.
- Every applicant will be issued with a unique challan number which will be generated after the candidates submit their CNIC or phone number in the online portal. System will generate unique challan number.
- Candidates should submit the mentioned fee on challan to any HBL branch.
- Applicants need to upload the image of paid fee challan on the portal.

- After verification of documents system will generate Admit cards.
- Candidates with incomplete forms, attached unpaid fee challan or not meeting admission criteria will not be issued Admit Cards.
- The decision of the Admission Committee will be final.
- Enrolment, Examination, Certification, Degree Convocation and Document Verification fees to be paid by the candidate as per JSMU rules.
- Management can change Fee charges without any notice.

Admission Requirements:

Eligibility criteria: 12 years of education, Intermediate (Pre-Medical) or A-level with at least 60% marks

Age limit: 17-22 years on admission

Interview: Final dates for the interview to be sent via email to shortlisted candidates.

Merit formula: Intermediate Science Pre-Medical or Equivalent Examination - 30%

Entry Test - 60%

Interview/Viva - 10%

Entry test:

1. All candidates applying will have to appear in the written Multiple Choice Questions based entrance test.
2. Entry test paper will be conducted at Indus College of Physical Therapy and Rehabilitation.
3. Candidate must score 60% marks to be selected for the final interview by the Selection committee.

4. Entry test will be based on A Level/Intermediate or equivalent.
5. Entry test curriculum/course content will be from following subjects.
6. Biology, Chemistry, Physics, English, General Knowledge & Analytical Questions.

Final decision: Admission decision to be made after a final decision by the Admission Committee.

Facilitated With:

- Science Training Labs

- Charts

- Overhead projectors

- Students books

- Student Loan/ Qarz-e-Hasna/ Financial aid

- Computer Lab

Documents to be submitted:

Application for admission to the course must be submitted online, available at IUHS website www.iuhs.org.pk <https://admissionportal.tih.org.pk/icprPost.aspx> (Online portal link) along with the following documents:

1. Intermediate certificate or its equivalent from a recognized board/institute.
2. Marks certificate of intermediate or its equivalent.

- No residence or accommodation will be provided.
- Original documents must be provided at the time of submission of the admission fee.
- Tuition fee of every semester is payable in advance.
- Caution money is refundable after completion of program or on cessation of registration after clearance from the current department.
- Any discrepancy found in documents will automatically cancel the admission.
- Degree will be awarded by Jinnah Sindh Medical University at the end of the program

Academic Supporting Services:

Skills Lab:

To make training more effective and sustainable, the Skills Lab is well-equipped with basic and advanced manikins and apparatus to give students hands-on learning experience and develop competencies according to healthcare professional standards.

Kinesiology Lab:

It consists of therapeutic exercise equipment such as an electronic treadmill, elliptical and recumbent bike for aerobic activities, parallel bar and staircase, exercise balls, wheelchairs, and electrotherapy apparatus to meet the students' needs

Physiology Lab:

The Physiology Laboratory is well equipped and able to conduct various teaching demonstrations and scientific research studies and has all major equipment in the lab.

Digital Library/Computer Lab:

At Indus College of Physical Therapy & Rehabilitation, teaching is not limited to just "listening and learning," students are provided with opportunities to explore, practice and learn, in a well-equipped digital library. Students can easily get access to the digital lab based on the institute's ID Card.

Library:

Library is available in college which possess, all the latest edition with reference book It is very helpful for group study & Self-directed studies.

Lecture Halls:

Lecture halls are equipped with comfortable seating, multimedia, etc.

Teaching & Learning Strategies:

- Small group discussion/Tutorials
- Interactive lectures
- Lab and practical-based sessions
- Clinical skills session.
- Hospital visits
- E-learning and self-directed study

Assessment Criteria:

- Quizzes
- Clinical skill performance
- Home assignment
- Structure viva
- OSPE & OSCE
- Presentations

Student Professional Conduct:

1. The college will have a disciplinary committee to deal with all disciplinary matters.

2. The disciplinary committee of the college is empowered to take any disciplinary action on a case reported by the Principal/Director of the respective institute.

3. Any student whose name appears in the F.I.R pertaining to any non-bailable offense as specified to the criminal procedure code will be suspended. During the tendency of the case, he/she will not be allowed to attend classes or take up any examination.

4. The action for situation warranting suspension, rustication, or expulsion will be according to the specified procedures as follows:

- The principal may initiate action against any student of the college and recommend the case to the disciplinary committee for suspension rustication or expulsion, as the case may be.
- Before taking any action, the principal shall serve a show cause to the student indicating the charges against him/her. The concerned student will have to submit a written response within seven days, after which action will be finalized by the disciplinary committee. The student will be entitled to a personal hearing after this.

General Performance Conduct:
